Sunset Island

Just a brief boat ride from **Venice**, Sunset Island is the only island in the Venice lagoon to offer an elegant **nine-room villa** with **pool**, and outdoor and rooftop **terraces** set in an **eco-friendly** and fully privatized environment.

Situated in the north of a lagoon that has inspired some of the most celebrated authors and artists, Sunset Island is a place to gather with friends or family in **exclusive surroundings**; to experience the luxury of space among sweeping **natural vistas** and comfortable, stylish accommodation; and to tap into an inner creativity through a close connection with an unspoiled natural setting.

The rental comes with exclusive use of the island's private villa, dating back to **1870**, with its **9 bedrooms** and **ensuite baths**, living and dining areas, kitchen, two

outdoor terraces, rooftop terrace, **pool area**, outdoor shower, on the **75-acre private island**.

The resident chef will provide a selection of typical Venetian or international cuisine for lunch, dinner, and a breakfast of your choice. A waiter will serve the food and also provide you with drinks throughout the day.

The villa's large swimming pool comes complete with stunning teak deck area, gazebo, and lounge chairs.

A **private boat** with driver is available from dusk till dawn. If weather conditions permit it, also night transfers are possible.
